Department Of Foreign Exchange,
Center Bank- Sri Lanka.

Dear Sir/ Madam,

We would like to inform you that you have requested information from the institution under reference number 66/03/0037/947/001 and that the information has been sent herewith.

Our company is a company that imports and distributes mobile phones from China. We are obliged to repair the mobile phones we import. For that, we need a lot of mobile phone spare parts. However, we have to purchase these spare parts from the supplier.

Our company's practice is to purchase spare parts separately when a batch of mobile phones is imported. You have requested information regarding the transactions sent for the purchase of these spare parts.

Here, even though our organization has paid for large spare parts, it is being obtained in parts. The reason is that some spare parts become unusable over time. (Ex: Battery charge becomes low. Electronic devices such as PCBs become inoperable.)

Here, when we inform the suppliers of the required spare parts, it is sent to us through Antorn Express. Then, all the clearance work including cusdeck is done by that company and sent to us.

The bills are attached herewith. Furthermore, some spare parts are brought by our suppliers, Ms. Vivian, Mr. Jiang and Mr. Wenli, when they visit this country and I also bring them when I travel to China, Thailand, etc. for customer promotion activities. For your information, we have attached the passport labels of our suppliers.

We regret that we were unable to find sufficient documentation.

Attached is a letter confirming this from our main supplier.

We kindly request that you consider these matters and conduct an investigation.

Yours sincerely,
